Enter email to add new author.

- Add **co-authors** by providing the email. If the user was not found, enter information requested.
- Please note that modifications to this information are permitted until the abstract submission deadline. After this deadline, no further changes will be possible.
- Please select the primary contact, who will serve as **the corresponding author**.
- You can adjust the order of the authors using the provided arrow buttons.

Subject Area

SUBJECT AREAS*

Primary	Secondary		Primary	Secondary	
<input type="checkbox"/>	<input type="checkbox"/>	Advanced Computation *	<input type="checkbox"/>	<input type="checkbox"/>	Machine Learning *
<input type="checkbox"/>	<input type="checkbox"/>	Applied Mathematics in Upstream Industry	<input type="checkbox"/>	<input type="checkbox"/>	Mature Field Rejuvenation
<input type="checkbox"/>	<input type="checkbox"/>	Artificial Intelligence *	<input type="checkbox"/>	<input type="checkbox"/>	Operation and Integrity Management
<input type="checkbox"/>	<input type="checkbox"/>	Big data analysis *	<input type="checkbox"/>	<input type="checkbox"/>	Operation Safety

- While selecting the subject area for your manuscript, please be aware that topics marked with an asterisk (*) may not be suitable for the IOP Conference Series: Earth and Environmental Science (EES).
- To ensure your manuscript aligns with the publisher's requirement, we kindly ask you to select more than one secondary topic to help us accurately identify whether your manuscript fits the scope of IOP EES.
- This requirement only applies to those interested in publishing in **IOP EES**.

Additional Questions

ADDITIONAL QUESTIONS

1. Description Topics *

While selecting the subject area for your manuscript, please be aware that topics marked with an asterisk (*) may not be suitable for the IOP Conference Series: Earth and Environmental Science (EES). To ensure your manuscript aligns with the publisher's requirement, we kindly ask you to select more than one secondary topic to help us accurately identify whether your manuscript fits the scope of IOP EES. This requirement only applies to those interested in publishing in IOP EES.

I agree

2. Presentation Mode *

In the event of this paper's acceptance for presentation at ICUPERTAIN 2024 (5th-6th November 2024), what presentation mode is intended to be selected?

- In-Person Presentation in Jakarta
 Online Presentation

3. Presenter *

Kindly provide the complete name of the presenting author, as listed in the preceding author information.

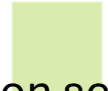

125 characters left

4. Presenter's Phone Number *

Organizers require a contact number for communication purposes. Please include the phone number along with the country code.

125 characters left

- Acknowledgement of IOP EES publication scope
- Presentation mode
- Presenting author information

Target Publication Output

5. Primary Publication Target *

After the conference, all submitted and presented papers will undergo rigorous evaluation by both the editorial team and the publisher. Those papers that meet the specified criteria will be included in a special volume within the chosen journal/proceedings. Please select the primary target from the options provided.

Important Notes:

* Additional fees will apply for IOP EES output, with invoicing and payment procedures occurring post-conference.

* Compliance with IOP publisher regulations mandates a maximum of two articles per author.

- IOP Conference Series: Earth and Environmental Science (Scopus-indexed Proceeding)
- Journal of Geoscience, Engineering, Environment, and Technology (SINTA 2)
- Journal of Earth Energy Engineering (SINTA 3)
- IT Journal Research and Development (SINTA 3)
- Journal of Science and Informatics for Society
- Subsurface

6. Secondary Publication Target *

Please select the secondary target from the options provided. Ensure that the selected option is different from the primary publication target.

- IOP Conference Series: Earth and Environmental Science (Scopus-indexed Proceeding)
- Journal of Geoscience, Engineering, Environment, and Technology (SINTA 2)
- Journal of Earth Energy Engineering (SINTA 3)
- IT Journal Research and Development (SINTA 3)
- Journal of Science and Informatics for Society
- Subsurface

• Please check the scope of the publication output beforehand
