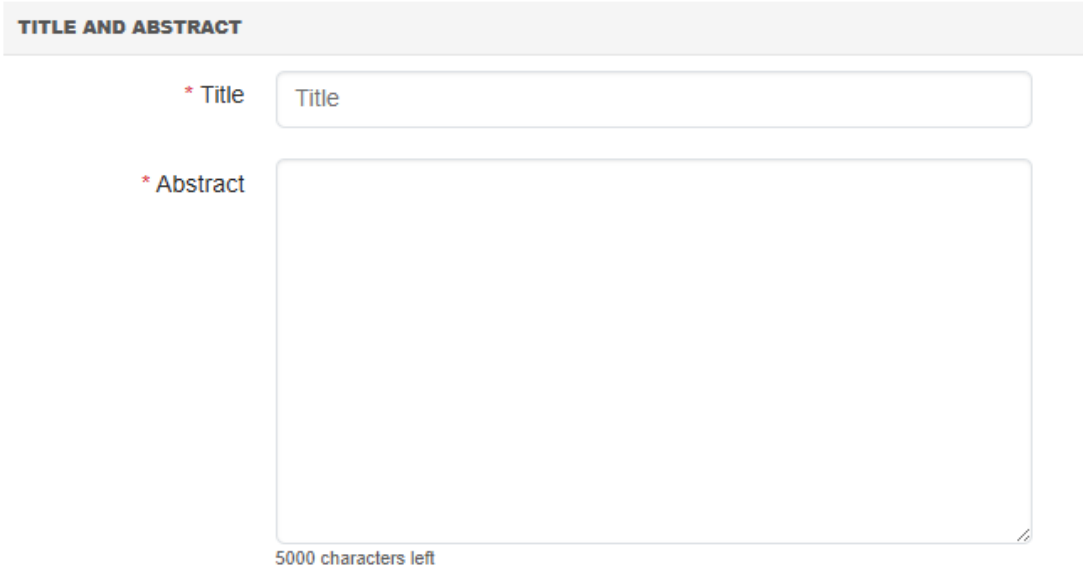
Abstract Submission Guidelines

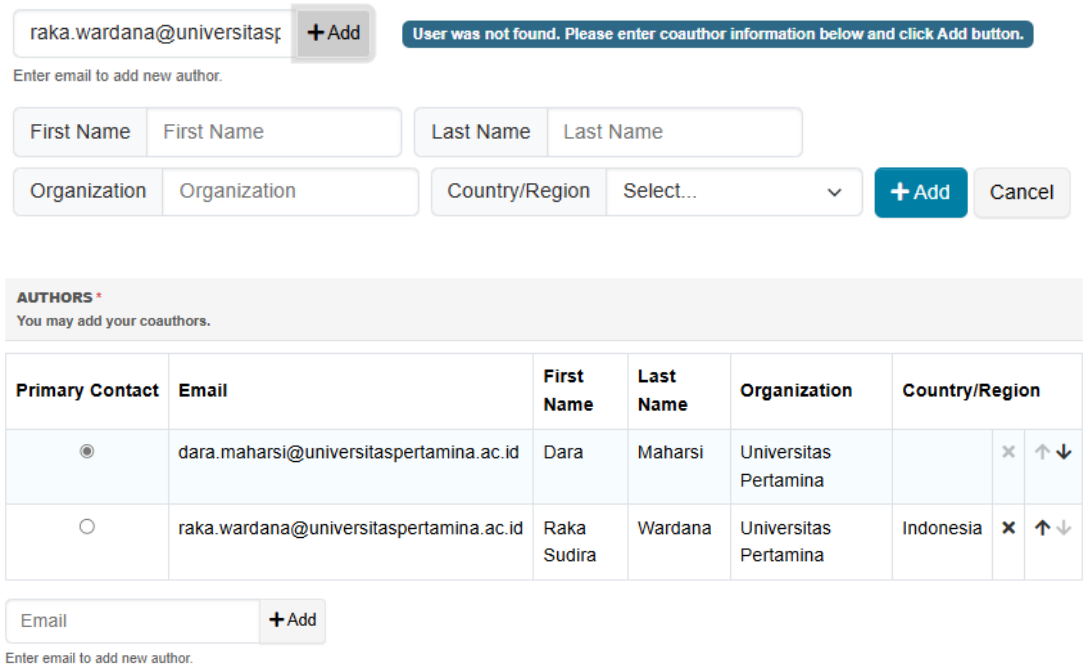
ICUPERTAIN 2026

Title and Abstract



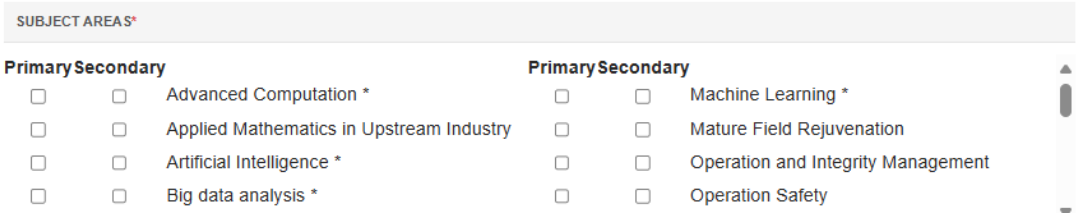
- The Title and Abstract should be written in **English**.
- The abstract should contain at least 70 and at most 250 words.
- The structure of the abstract should encompass Introduction, Methods, Results, and Discussion.
- You are NOT required to **upload document**
- **Full paper** submission menu will be available upon abstract acceptance

Authors



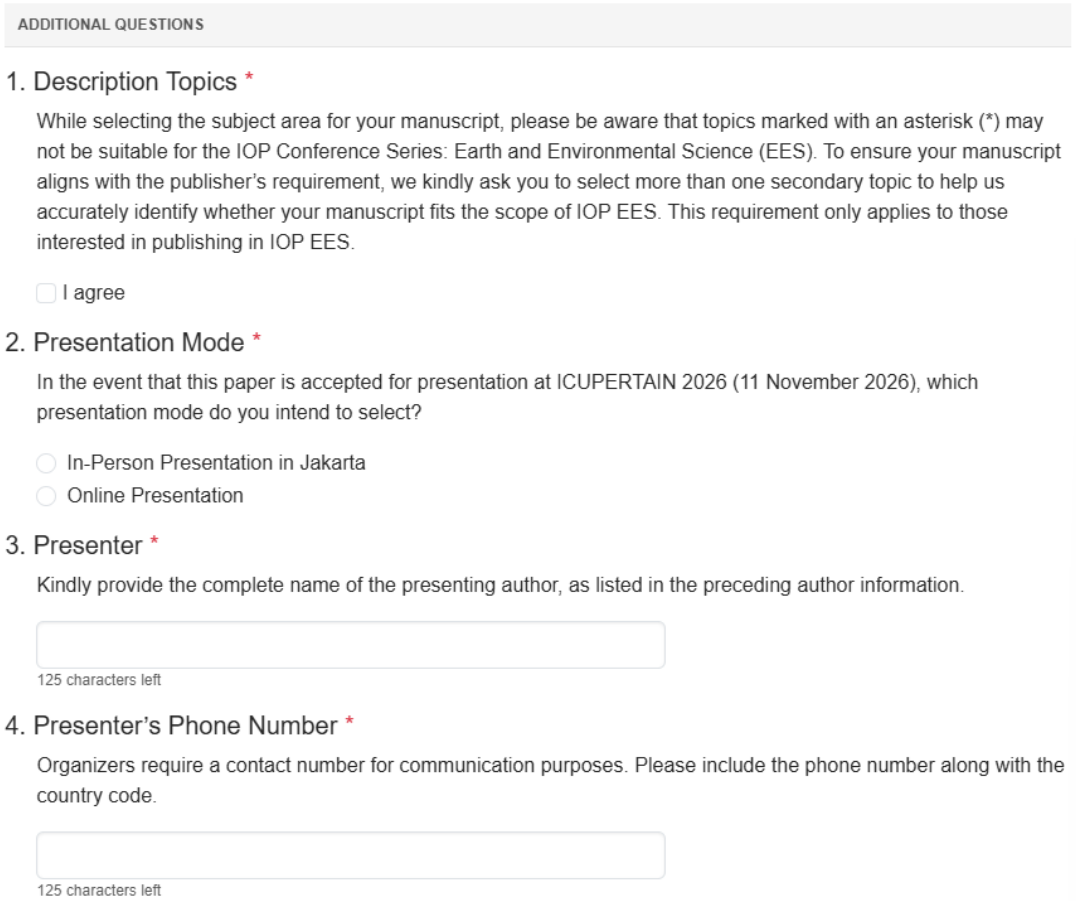
- Add **co-authors** by providing the email. If the user was not found, enter information requested.
- Please note that modifications to this information are permitted until the abstract submission deadline. After this deadline, no further changes will be possible.
- Please select the primary contact, who will serve as **the corresponding author**.
- You can adjust the order of the authors using the provided arrow buttons.

Subject Area



- While selecting the subject area for your manuscript, please be aware that topics marked with an asterisk (*) may not be suitable for the IOP Conference Series: Earth and Environmental Science (EES).
- To ensure your manuscript aligns with the publisher's requirement, we kindly ask you to select more than one secondary topic to help us accurately identify whether your manuscript fits the scope of IOP EES.
- This requirement only applies to those interested in publishing in **IOP EES**.

Additional Questions



ADDITIONAL QUESTIONS

1. Description Topics *

While selecting the subject area for your manuscript, please be aware that topics marked with an asterisk (*) may not be suitable for the IOP Conference Series: Earth and Environmental Science (EES). To ensure your manuscript aligns with the publisher's requirement, we kindly ask you to select more than one secondary topic to help us accurately identify whether your manuscript fits the scope of IOP EES. This requirement only applies to those interested in publishing in IOP EES.

☐ I agree
